

Bebauungsplan Nr. 614 - Neumühl - Westseite. This is a detailed planning document for a residential area in Duisburg. It includes a main plan with various colored zones (green for public green space, yellow for residential, etc.), an overview map, and numerous technical specifications and legal references. The plan is divided into several sections, each with its own set of rules and regulations. The main plan shows the layout of the area, including streets, buildings, and public facilities. The overview map shows the location of the area within the larger context of the city. The technical specifications and legal references provide the legal basis for the plan and the rules governing its implementation. The document is signed by the relevant authorities, including the Mayor and the Planning Commission.
